

Dear Students and Families,

We would like to inform you that **ISC Al Ain, serving as an official SAT Testing Center, will be closed on 14 March**. All registered students **have been moved to the makeup administration on 28 March**.

This decision has been made due to the **recent circumstances related to the ongoing conflict and concerns regarding safety in the region**.

**Please note that students need to complete the digital exam set-up again 1-5 days before the makeup administration date to receive their updated admission ticket**

The well-being of our students, staff, and community remains our highest priority. We appreciate your understanding and cooperation during this time.

For any inquiries, please contact the school administration.
